

THE
GRANGE
of
PRINCE
EDWARD

Lafontaine du Loup Rosé is a beautiful traditional method bubbly, crafted from the ideal terroir of Ontario.

Created by brilliant sparkling winemaker Jonas Newman in collaboration with the Grange's proprietors, it proudly carries their signatures.

This wine is an expression of our love of Prince Edward County and for Lafontaine, the spirited Francophone town in North Ontario which inspired the famous legend of the wolf.

We like to think the Wolf of Lafontaine incited solidarity; a cause for celebration and popping of corks that spirited great friendships - they were united by bubbles.
