

Winemaking Notes:

Field sorted. Destemmed. Twice daily punch downs. Cuvee was barrel selected from estate Cabernet Franc for extended ageing. 18 month élevage in premium French oak barriques, 50% new and 50% second fill.

Vintage Notes:

The harvest in Prince Edward County was characterized by dry, warm weather in September and October, which accelerated sugar accumulation and allowed for full ripening. The sunny bright days were ideal for the development of high-quality fruit.
